

ARTICULATION AGREEMENT

between

**Cabarrus College of Health Sciences
Bachelor of Science Degree in Medical Imaging
Online Management Option**

and

**Southwestern Community College
Associate of Science Degree in Radiography**

Purpose:

This Agreement records the understanding between two imaging programs, the Medical Imaging (MI) Program at Cabarrus College of Health Sciences and the Radiography (RAD) Program at Southwestern Community College (SCC) to maximize students' transfer of credit from SCC toward a Bachelor of Science degree in Imaging at Cabarrus College.

Eligibility:

Second year SCC ASR students may enroll concurrently as a "non-degree student" in up to six credits per semester at Cabarrus College. Permission will be required from program officials at both SCC and Cabarrus College. Enrollment will be on a space available basis. To be eligible, students must meet the following requirements:

- cumulative GPA of 2.5 or above
- minimum ACT (18 composite) or SAT (430 Reading; 380 Math)

SCC Associate of Science Degree in Radiography graduates (ASR) who meet the following criteria will be eligible to enter Cabarrus College's Bachelor of Science Degree in Imaging Program:

- cumulative GPA of 2.5 or above
- either current active registry or registry eligible status with the AART
- two professional references, one from current supervisor or imaging faculty member

Application Fee:

The Cabarrus College application fee will be waived for those who apply in accordance with this agreement.

Articulation Guide Review: The Articulation Guide is subject to review every two years. The agreement will be reviewed and updated to accommodate curriculum changes at Cabarrus College and Southwestern Community College.

Promotion/Outreach: SCC and Cabarrus College agree to publicize this agreement through marketing and information sessions, and to promote successful transfer through active student advising.

Renewal/Renegotiation: This Articulation Agreement shall remain in full force and effect until terminated in writing by either imaging program.

The imaging programs agree to review, update and amend this Articulation Agreement as needed, particularly with any curricular change. Either imaging program may initiate the review process of this Articulation Agreement or a curricular change. Any amendment to this Articulation Agreement shall be signed by authorized representatives of the imaging programs and attached as an addendum hereto.
