

High School Students

High School Students

Southwestern Community College supports four programs for middle and high school students in our service area. These **FREE** programs serve a wide range of students.

- [Career & College Promise](#) and [Early College High School](#) offer qualified students the opportunity to earn college credit tuition free while in high school.
- [New Century Scholars](#) program provides support, encouragement and incentive to selected students from Jackson, Macon and Swain counties beginning in the 7th grade.
- [Upward Bound](#) is a college preparatory program for eligible high school students funded by the United States Department of Education as a TRIO program.
- [Project SHIFT](#) seeks to advance education and science by exposing high school students to health science programs.
