

Diversity Committee Minutes 3/4/16

Present: Bucky Dann (chair), Kay Wolf, Brian Kane, David Jons, Belinda Petricek, Wanda Knight

Arrangements for Spring Fling were discussed. David has leads on two local Spanish/Mexican dance groups. The cost seems well within the guidelines being used by Student Services. Kay brought up the possibility of serving Mexican food. She knows some women who can prepare tamales for approximately \$2 per. Jeff is working on arrangements for a Native American dance troupe. Bucky will contact Cheryl CC about the dancers and food.

The First Language film viewing was discussed. A question was asked about who is providing food for the viewing. Bucky said he would ask Cheryl CC.

Belinda volunteered to send out weekly facts for Women's History Month. Belinda also reported on possible multi-cultural entertainment from a group known as Kramer Entertainment. Macon campus has used them for a DWI program. Belinda will provide further info at a future meeting.

Brian reported that the deadline for submitting a grant request from NC Arts was March 1. That possibility was subsequently tabled as no longer possible

The possibility of a woman's health fair at both campuses was discussed. A local clinic is willing to provide speakers. Local county public health agencies could also be included. Bucky will contact Jackson County public health. A tentative date of fall, 2016 was discussed. This discussion will be continued at the next meeting.

Meeting was closed at 11:00.
