

Preparing to MEET Online

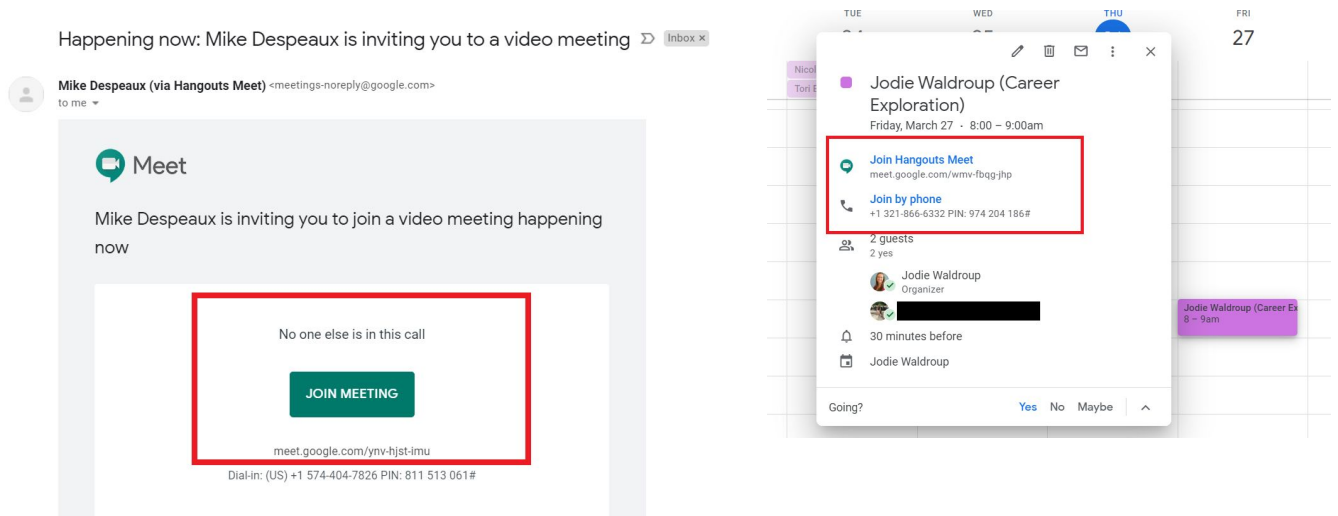

At SCC we are fortunate enough to have the power of technology like Google to help us connect. That means your professor, advisor, or other support staff may schedule an online “Google Meet” appointment to best serve you and your needs. Below are steps to access your google meet appointment.

- 1) Login to your MY.SCC and go to your SCC email
- 2) Look for an invitation from your professor, advisor, or other support staff

- 3) Click on the link in the email invitation or if they sent you a calendar appointment to your google calendar you can find the Google Meet information there as well if you said “yes” to the meeting.

4) Join the Google Meeting!
