The bookstore carries both new and used textbooks and a variety of school supplies. Textbooks are shelved alphabetically by course number with tags indicating the course for which each text is required. The staff will help you select books and materials for your classes, or you may browse at your leisure. In addition to textbooks, the bookstore carries art and drafting materials, reference books, school supplies, greeting cards, and graduation caps and gowns. Regular bookstore hours are posted each semester at the bookstore entrance. On each registration day and during the drop-add period, bookstore hours coincide with the Business Office hours and will be posted in the bookstore.

After the need for the following semester is met, we will begin paying the current price a wholesale company will pay us for the book.
