The sun is shining, the birds are singing, the flowers are in bloom and you are taking classes to move you ahead with your program of study. Great things are happening! As always, Peter, Laurie, Marji and I stand ready to assist you in achieving your goals.

In addition to giving attention to your summer academics, I am also asking you to pay close attention to the SCC scholarship website: http://www.southwesterncc.edu/finaid/scholarshipinfo.htm.

Beginning this summer, the majority of SCC scholarships will be applied for using an online format and the financial aid office is currently working to finalize the online process. I encourage you to visit the site weekly so you don’t miss the, “You can apply now” signal. Should you have any questions, give us a call.

Come by and see us! We love seeing you!

Here’s to a successful summer!!
