

Faculty Senate Meeting Minutes
11-27-06

Faculty Present: Rudy Beharrysingh, Randy McCall, Connie Gregory, Linda Aiken, Wilda Walker, Mary Bradley

President Rudy Beharrysingh called the meeting to order at 3:10 pm and the first item on the agenda was the approval of the minutes of the previous meeting. Minutes were approved as read.

Linda Aiken and Mary Bradley, who are members of the Faculty Association of NC, spoke to those present about the benefits of membership. Yearly dues are \$30 for full time faculty and \$18 for part time faculty. If anyone would like more information about the faculty association may contact Linda or Mary and they will answer your questions or help find the information necessary to answer any questions. They will also speak again to the faculty senate at a later date about the association.

TOPS- Teaching Our Peers

The poll that was supposed to appear in faculty emails did not materialize (my apologies) and will be forthcoming.

President Beharrysingh had invited adjunct faculty to discuss several items, however, no adjunct faculty were at the meeting. He also stated that due to the poor attendance he would poll faculty to see what issues or concerns faculty had and to set times for future meetings that will allow the more faculty to attend the senate meetings. He also reminded faculty that the upcoming distance learning forum was to address concerns that some faculty had about distance learning earlier this year. He encouraged those faculty to attend the forum.

Meeting adjourned at 4:15 pm

Respectfully submitted

Randy McCall
Faculty Senate Secretary
