

Faculty Senate Mins

Mon. Sept. 24, 2018, 3:00 pm-4:00pm Burrell 209

Susan Cain called the meeting to order at 3:00. Everyone was given an agenda as well as a list of Faculty Senators.

In attendance: Brian Kane, Vicki Todd, David Jons, Sharon Lauffer, Jennifer Barfield, Linda Aiken, Carolyn Porter, Marissa Gilligan, Kimi Walker, Anna Walls, Susan Cain.

Mike Despeaux spoke about about the PEAK, QEP. The main avenue of this QEP is delivered to students with ACA classes. Mike appreciates the involvement of faculty in direct involvement with PEAK. He also presented information about what PEAK opportunities there are for this fall. One of the points that was made was in reference to job fairs. Students do not come to job fairs dressed appropriately. This has been put forth to faculty as an opportunity to incorporate a class project or assignment along with job fairs.

Old Business: The faculty senate page has been updated as well as the google team drive. Dawn has resolved her issues with accessing the drive. Please contact Vicki Todd/Susan Cain for access to the faculty senate drive if you are a senator but do not have access.

Title change program is still waiting for approval with the cabinet. There will be a follow up with the cabinet if there is no communications by January.

New Business:

Faculty is encouraged to start going to the Moodle workshops so that when the change over comes, there will be nobody left in the dirt. Please contact Bethany Emory for more details.

Make sure that you have connected to continuing education if you have any skills that you would like to share and get paid for it!

Faculty concerns have been brought up about the showers in the women's room in Bradford. Vicki Todd will address this with Dr Boberg.

Faculty are encouraged to download the safety center app. The directions are found at <https://www.southwesterncc.edu/campus-safety-security>

Next Meeting—Thurs. Nov. 8, 12:30-1:30 Burrell 204
