In the event of a critical incident, the following are response guidelines:

- 1. Move to a SAFE location and contact **9 1 1** with as much information as possible, e.g., description of incident, person(s) involved. If able, contact the College Information Center or send out an e-mail to notify as many as possible.
- 2. "Lockdown" classroom or office, turn out lights and move away from window or doorway and take cover (utilize any solid objects that offer protection).
- 3. If you have more information, contact 9 1 1 or the College Information Center (only contact if you have additional or updated information).
- 4. If you have injured people at your location, then utilize the "Red" card where available.
- 5. Keep calm and make sound decisions. Remain in lockdown until you receive notification that all is clear.
