

SOUTHWESTERN COMMUNITY COLLEGE	STUDENT SERVICES HIGH SCHOOL EQUIVALENCY TESTING CENTERS	Policy 6.04.03
-----------------------------------	--	-------------------

Southwestern Community College is an official High School Equivalency Testing Center. The High School Equivalency Test Coordinator implements the testing program throughout the College service area on a regular basis. Achievement of the minimum individual test scores and the minimum total battery score results in awarding of the high school equivalency credential. The College adheres to all standardized testing policies and procedures as outlined by the approved High School Equivalency Testing Service and the state of North Carolina.
