ABOUT THIS FIELD

The Therapeutic Massage curriculum prepares students to work in direct client care settings to provide manipulation, methodical pressure, friction and kneading of the body for maintaining wellness or treating alterations in wellness throughout the lifespan.

WHAT YOU'LL STUDY

Course work includes studies of normal human anatomy and physiology, therapeutic massage, ethical/legal issues, business practices, nutrition and psychology.

WHAT YOU CAN DO

Employment opportunities include hospitals/rehabilitation centers, health departments, home health, medical offices, nursing homes, spas/health/sports clubs and private practice.
