Faculty and Staff

Vision

Southwestern Community College will be a catalyst for transforming lives and strengthening communities.

Mission

Southwestern Community College provides a quality, innovative learning environment that promotes student success, workforce development, and community advancement.

Values

1. Being Student Centered

Student Success is at the heart of everything we do.

2. Demonstrating Integrity

Trust and transparency guide our actions

3. Promoting Lifelong Learning

We foster a culture of growth and development in our students and community

4. Focusing on the Community

We actively engage and partner to strengthen the region we serve.

5. Maintaining Open Door Access

We provide accessible pathways to education for everyone.
