The State Board of Community Colleges is required to establish rules and policies for the implementation of the grant and loan program and the targeted financial assistance program. The following are policies for the administration and implementation of the programs.

A. Policies for the North Carolina Community College Grant Program

1. The State Board of Community Colleges will contract with the North Carolina State Education Assistance Authority (NCSEAA) to administer the financial aid program. Procedures for administering program will be developed by the NCSEAA and the North Carolina Community College System (NCCCS) Office.
2. To be eligible for the need-based grants under this program, students must meet the following criteria:
 - a. be admitted to a curriculum program and be enrolled for at least six credit hours per semester.
 - b. be a North Carolina resident.
 - c. have completed and submitted the Free Application for Federal Student Aid (FAFSA);
 - d. qualify for the grants based upon a valid Expected Family Contribution (EFC) calculation under Federal Methodology and the program's recognized "required educational expenses" for attending a North Carolina community college; and

The amount may be adjusted to ensure that all eligible applicants receive need-based grants.

4. The State Board will receive an end-of-year report from NCSEAA and will review its rule and policies annually. The NCSEAA will transmit data on community college students applying for an receiving grants to the System Office, which has responsibility for evaluating the program.
5. Consistent with this act, each community college will designate at least one financial aid counselor to inform students of federal financial aid programs, the Hope and Lifetime Learning Tax Credits, the North Carolina Community College Grant Program, and other financial aid options. The NCCCS Office will coordinate a training program for financial aid counselors and will disseminate information about the program to the public.

Targeted Financial and Less Than Half-time and Targeted Assistance Grants

The state funding for the Targeted Assistance (High Demand/Low Enrollment) Program and Less than Half-time funding were consolidated for the FY 2021-22 academic year at an amount not to exceed \$550,000. The State Board of Community Colleges will approve the amount allocated to each college and will determine this amount through a distribution model based upon the percentage of Pell Grant awards made by the college. Each college will receive an award allocation amount annually. Colleges should award available funding to eligible students in each program until expended.

B. Policies for Less Than Half-Time Enrolled Certificate, Diploma, and Associate Degree Students

1. The State Board may allocate a percentage of the funds appropriated for Financial Assistance for Community College Students to students who enroll in low enrollment programs that prepare students for high-demand occupations. The actual amount of funds allocated shall be adjusted annually, based upon availability of funding in the NC Community College Grant Program.
