

SOUTHWESTERN COMMUNITY COLLEGE	STUDENT SERVICES GRADING SYSTEM	Policy 6.02.02
-----------------------------------	---	-------------------

Official grades are issued for each student at the end of each semester. Students enrolled in curriculum courses will be graded by the letter grade system indicated below and assigned a grade point average (GPA) for each semester. Instructors shall inform students about the specific grading scales. The College does not have a uniform grading scale.

A student's GPA is determined by dividing the total number of quality points by the number of credit hours attempted. A Program GPA of 2.00 is required for graduation. Transfer credits are not included in the GPA computation.
