

SOUTHWESTERN COMMUNITY COLLEGE	STUDENT SERVICES <b>ADMISSIONS - VETERANS</b>	Procedure 6.01.01.06
-----------------------------------	--	-------------------------

The Veterans Administration provides applicants who meet the appropriate federal criteria a financial assistance program for education and training. Curriculum programs are approved by the State Approving Agency.

Applicants must contact the College's Financial Aid Office in order to receive veteran educational benefits. Applicants must provide a copy of their Certificate of Eligibility/Statement of Benefits which they received from the Department of Veterans Affairs. Applicants must submit all official transcripts from previously attended institutions, including high school/GED transcript, and post-secondary schools.

In-order to have schedule certified to the Department of Veteran Affairs for payments, the student must be taking courses required for their program, maintaining satisfactory academic progress, adhere to attendance policy (6.02.01), and standards of student conduct policy (6.03.02).
