

SOUTHWESTERN COMMUNITY COLLEGE	STUDENT SERVICES SERVICES FOR PERSONS WITH DISABILITIES	Policy 6.04.04
-----------------------------------	---	-------------------

In accordance with state and federal law, the College does not discriminate against qualified individuals with disabilities and is committed to providing full and equal access for all qualified individuals. The College meets the goal of equal access by providing reasonable and appropriate modifications in its educational programs, services, and activities.

Students may appeal a decision of the College related to disability accommodations and service, as well as other disability related complaints, through Policy 6.03.05 – Student Grievance.

The President and administration are authorized to develop further procedures regarding this policy.
